[Create]

This is your password to log into the wallet.
It is not your seed phrase.

For security reasons, we recommend to create an original password made with a combination of letters, numbers and symbols

STEP 6:
SECRET BACKUP PHRASE (SEED PHRASE)

[IMPORTANT]

Your 12 word seed phrase is very important to the use of crypto wallet. Losing it is detrimental in the future when you would like to transfer the wallet. Do not share your seed phrase

Ensure you are not in a location where video device may capture your seed phrase on the screen.

You may choose to write it on a piece of paper as you would need to use it in the next step.
