

JOY IN EVERY BUNDLE

Join us in our mission to end food insecurity in Singapore!

At The Food Bank Singapore, we believe that every meal shared is a step towards a brighter, more connected community.

Our "Joy in Every Bundle" initiative aims to bring smiles and nourishment to those in need, one bundle at a time.

How it works

1. Send an email to volunteer@foodbank.sg to express your interest in signing up for a bundle.
2. Confirm how many bundles you are pledging. Please note that there is a minimum requirement of 100 bundles, each priced at \$30!
3. We will find a feeding partner to conduct the distribution of the food bundles.
4. Show up at the scheduled time and location to help pack and distribute the food bundles!
