Securing Food, Shaping Tomorrow

Warehouse Volunteer Manual

About Us

Established in 2012, The Food Bank Singapore is the nation's only accredited member of The Global FoodBanking Network (GFN), an organisation which supports food banks in more than 50 countries.

As an IPC-registered charity (non-government funded), we collect surplus food from manufacturers, distributors, retailers, restaurants, and consumers, and channel them to vulnerable communities through our network of beneficiary partners. We also procure food as needed to meet the food support requirements of our beneficiary partners.

Beyond providing vital food support to **improve food security**, we **champion food sustainability** through advocacy, reducing food waste, and driving education programmes that inspire action to reduce food waste and build a more sustainable future.

What does a Warehouse Volunteer do?

Warehouse Volunteers support the day-to-day operations of The Food Bank Singapore by ensuring food donations are properly handled, organised and prepared for distribution. Your contributions help keep our warehouse safe, efficient and ready to serve communities in need.

Warehouse volunteering activities typically take place over a 3-hour session (weekdays only, excluding Public Holidays):

- AM Session: 10am to 1pm
- PM Session: 2pm to 5pm

For larger corporate groups interested in volunteering as a company or department, please contact us at enquiries@foodbank.sg.
