Securing Food, Shaping **Tomorrow**

# About Us

Established in 2012, The Food Bank Singapore is the nation's only accredited member of The Global FoodBanking Network (GFN), an organisation which supports food banks in more than 50 countries.

As an IPC-registered charity (non-government funded), we collect surplus food from manufacturers, distributors, retailers, restaurants, and consumers, and channel them to vulnerable communities through our network of beneficiary partners. We also procure food as needed to meet the food support requirements of our beneficiary partners.

Beyond providing vital food support to **improve food security**, we **champion food sustainability** through advocacy, reducing food waste, and driving education programmes that inspire action to reduce food waste and build a more sustainable future.

# Joy in Every Bundle Programme

Joy in Every Bundle (JIEB) programme aims to reach out to **seniors in need** by providing packed groceries in a bundle.

By procuring food items directly from various trusted suppliers and including food surplus as appropriate, we ensure that every bundle is not only filled with food that can nourish but also represents excellent value for money.

As part of CSR, corporates can involve staff to raise funds, pledge, pack, and distribute pledged food bundles via door-to-door delivery to end beneficiaries near one of our beneficiary partner centres. Together, we can make a significant impact, bringing joy and sustenance to those in need across Singapore.

**Support us**

Public: By contributing food surplus/donations  
Corporate: By partnering us and funding Joy in Every Bundle

# How you can support the Joy in Every Bundle Programme

You can support by partnering with us and pledging a minimum of 100 bundles for Joy in Every Bundle. We will then match your pledged bundles to suitable beneficiary partners based on their needs.

During a Joy in Every Bundle session, you will help to pack food items into bundle bags and distribute directly to beneficiaries' homes through our beneficiary partners. Bundle activities take place close to any of our beneficiary partner located islandwide.

Bundle activities are conducted in 3-hour blocks.

- Weekdays: 10am to 1pm and 2pm to 5pm
- Saturdays: 10am to 1pm (excluding public holidays)

# What to Expect in a Joy in Every Bundle Session

**Step 1:** Arrive on time for your assigned session. Receive a briefing from the Bundle Leader/FoodBanker on the day's activity flow, followed by a sharing session from the beneficiary partner.

**Step 2:** Assist with unloading food items from our vehicle.

**Step 3:** Under the guidance of the Bundle Leader/FoodBanker, you may take part in the following activities:

- Packing food items into bundle bags
- Organising completed bundle bags
- Packing cardboard boxes

**Step 4:** Once all bundle bags are packed, take group photos with the completed bundles.

# What to Expect in a Joy in Every Bundle Session

**Step 5:** After a briefing on the do's and don'ts for distribution, you will be assigned into groups. Each group will be responsible for delivering bundles to a designated number of beneficiaries.

**Step 6:** Upon returning from distribution, participate in a debrief and complete a short feedback form. The bundling session will then conclude.
